

I am getting the below error when trying to install the Biztalk Server 2013.

Tried to do a manual install but giving the same error.

downloaded the CAB file from the Microsoft link.

Link used to download the CAB file - Windows Server
2012: <https://go.microsoft.com/fwlink/p/?LinkId=269616>

BizTalk 2013 R2 and 2013 CAB files
